

Job Offer

GAK (Grazer Athletiksport Klub) Diving department with approximately 40 athletes is dedicated to promoting diving in Graz, in the Sportpool Bad "Auster" in all its diversity, ranging from Olympic/World Aquatics disciplines to recreational and health sports.

We are currently seeking a Head Diving Coach (m/f/d) as of 01.01.2024

The part-time position (30 hours/week) is initially limited to two years, with an option for extension.

Your main tasks include:

- Overall responsibility for diving performance for GAK athletes
- Responsible realization of the daily training process for assigned squads with the aim of successful participation in national/international championships training and competition planning, conditioning, technique training, mental preparation
- Supervising, supporting recreational and health sport squads/groups
- Setup of goals and training process for professional- and recreational/health athletes
- Development and leadership of the GAK coaching staff, as well as structuring a competition program in close coordination with all coaches.
- Implementation of individual training plans and ensuring training data documentation, as well as conducting regular comprehensive performance diagnostics.
- Supporting the federal and state squad athletes of the base groups at competitions and championships at regional, national and international levels
- Participation in performance promotion measures within the framework of the State Performance Center (LLZ) in Graz and the Austrian Swimming Federation (OSV) annual planning: training camps, courses, sports medical examinations, performance diagnostics - in collaboration with the superior National Coach.
- Participation in coach education and further training, as well as other training measures, also in coordination with the LLZ and/or the National Coach.
- Secondary responsibilities may include recruiting, scouting

Your profile:

- Instructor-certificate for diving is preferred
- Demonstrated expertise and min. 5 years of experience as a diving coach
- Knowledge and experience in high-performance sports
- Experiences at participation in International Competitions as World Aquatics/European Aquatics (Youth European championships)
- Good basic skills in German preferred, min. basic language skills in German required with willingness and commitment for developing it
- Good language skills in English both written and spoken (language level B2).
- Social competence and willingness to work in a coaching team
- High level of commitment, resilience, motivation, creativity, and flexibility
- High willingness to work independently and acquire new knowledge.
- Possession of a valid driver's license for cars

We offer an attractive workplace with partly flexible working hours. If we have sparked your interest, please submit your detailed application, including your salary expectations, and a *Criminal Record Certificate for Employment in Relation with Children* by December 31, 2023, consolidated in a PDF file, via email to buero@gak-wasserspringen.at
